

GLASGOW HIGH SCHOOL BOYS BASKETBALL PROGRAM ENTERS MISSOURI SPORTS HALL OF FAME

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 12, 2021

Mrs. HARTZLER. Madam Speaker, I rise today to honor the players, coaches, and student managers of the Glasgow High School Boys Basketball Program who were recently enshrined in the Missouri Sports Hall of Fame.

This small Howard County community in Missouri's 4th Congressional District has produced one of the most successful basketball programs in state history . . . with the Yellowjackets advancing to 16 Final Fours and earning Class 1 State championships in 1974, 1978, and again in 1980. In addition, this roundball powerhouse has won 37 district titles and 28 conference championships.

The 1986 movie "Hoosiers" told the story of a basketball team from a small Indiana town as it earned glory against all odds. It could easily be the story of the Glasgow High School basketball team—a small town team with a tremendous record of success. Congratulations to Glasgow High School's Boys Basketball Program on entering the Missouri Sports Hall of Fame.

IN MEMORY OF MICHELLE
SANFORD

HON. SCOTT FITZGERALD

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 12, 2021

Mr. FITZGERALD. Madam Speaker, I rise today to honor the memory and celebrate the life of Mrs. Michelle Sanford, a resident of Pewaukee, Wisconsin who passed away at the age of 52 on April 19, 2021 after a courageous battle with cancer.

Michelle will be remembered for her spirited and uplifting energy that she brought into every corner of her life. To her colleagues at the Association of Equipment Manufacturers, where she worked for more than 20 years, Michelle's infectious laughter and smile will be missed. As will her energy that she brought to every project no matter how big or small, or close or far. Michelle started her career as a secretary at AEM, and quickly grew to become an integral leader of the AEM exhibitions and operations team. She oversaw operations for AEM's many trade shows, and she traveled the globe to support international exhibitions in China, India, and Russia, among other places.

Michelle enjoyed her time with family and giving back to her community. She volunteered at many organizations but notably volunteered with the Ronald McDonald House Charities of Eastern Wisconsin. Michelle served on their board and as a direct volunteer.

On behalf of Wisconsin's 5th Congressional District, it is my privilege to celebrate the life and legacy of Michelle Sanford for her outstanding contributions to our community. I offer my heartfelt condolences to Michelle's family, including her loving husband Donald, her mother Claire, and her many nieces,

nephews, cousins, relatives, and friends she is survived by.

RECOGNIZING THE DIGNITY HEALTH DOMINICAN HOSPITAL AS THE RECIPIENT OF THE 2021 AL SMITH FRIEND OF AGRICULTURE AWARD

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 12, 2021

Mr. PANETTA. Madam Speaker, I rise to recognize the Dignity Health Dominican Hospital as the recipient of the 2021 Al Smith Friend of Agriculture Award. As a strong supporter of local agriculture, the Dignity Health Dominican Hospital has been instrumental in the COVID-19 vaccination efforts for our local farmworkers.

Dignity Health Dominican Hospital's values include compassion, inclusion, integrity, excellence, and collaboration. By leading the charge in providing COVID-19 vaccines to farmworkers in Santa Cruz County, they have demonstrated the impact and importance of their mission in our community.

Dignity Health Dominican Hospital will celebrate their 80th Anniversary later this year. It has always been the Hospital's steadfast mission to serve all who come through its doors, regardless of ability to pay. When its founders, the Adrian Dominican Sisters, arrived in Santa Cruz in 1941, they traveled from Michigan to reopen a failed hospital on West Cliff Drive. Even though only one of them was an active healthcare worker, they felt driven to provide care for our community. In 1988, the hospital joined what was then known as Catholic Healthcare West. Their founding tenets of community outreach and helping those in need have remained the driving values for the Dignity Health Dominican Hospital as it moved into the 21st century.

Dignity Health Dominican Hospital has evolved to offer the greater surrounding community the kind of cutting-edge technology typically reserved for large metropolitan areas, earning them the recognition they deserve. The 2021 Al Smith Friend of Agriculture Award was awarded to the Hospital for their creation of the first large-scale vaccination clinic in California that is focused on farmworkers. Additionally, they worked with local partners, such as the Santa Cruz County Farm Bureau, to develop a formula to ensure equity in vaccine distribution to local farmworkers. Their ongoing efforts during vaccine distribution made Santa Cruz County a model for prioritizing farmworkers for counties throughout the country.

Madam Speaker, it is my pleasure to recognize the compassion, excellence, and community support exemplified by the Dignity Health Dominican Hospital, and I ask my distinguished colleagues to join me in recognizing their service. I extend my personal appreciation to the healthcare workers, administrators, and staff of the Dignity Health Dominican Hospital for their service to our community.

The Truman Foundation was established by Congress in 1975 to honor President Harry S. Truman's legacy of extraordinary public service. The Truman Scholarship serves as a living monument to that legacy. As a former Truman scholar myself, I look forward to seeing how this class continues that legacy.

IN HONOR OF THE YORK THEATRE
COMPANY

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 12, 2021

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I rise to pay tribute to the York Theatre Company as it works to fully reopen. The York Theatre Company was founded by Janet Hayes Walker in 1969. Before the COVID-19 pandemic, the York Theatre produced nearly 200 musical theater performances each year, reaching over 37,000 patrons. During the coronavirus shutdown, the Theatre streamed an online series, so that its patrons could continue to experience and enjoy musical theater. Unfortunately, on top of an already difficult year for New York City theaters, the York Theatre Company's physical home was devastated by a flood caused by a municipal water main break in January.

The unique mission of the York Theatre Company is two-fold as it aspires to produce new musical works, as well as rediscover musicals of the past. The York Theatre hosts several programs and activities that encourage musical theatre students to engage in Off-
